**Swimming pool safety cover designed
to prevent access to the pool for
children under 5 years of age.**

**Keep this document for future
reference.**

Warning:

This cover is no substitute for common
sense and individual responsibility. It is
not intended to dispense with the need
for supervision of young children by their
parents and/or responsible adults, which
remains essential for their safety.

WALU POOL STARLIGHT

Bar supported safety cover for pools

+ POINTS

100% modular

The only swimming pool cover with bars and panels that can be replaced individually on site

100% aesthetic

Fits perfectly to every rectangular pool, with or without steps, up to 11 x 5,5 m with a high-end look

100% safe

Designed to ensure maximum safety for children and pets

100% versatile

Replaces a solar bubble cover and its cover roller, a winter cover as well as any other safety system

- Support bar fitted on underside, with its flat ends resting on coping stones

- Anti-lift kit

- Fastener

- Quick Fastening System

Thanks to the inverse aluminium profiles and flat end pieces on WALU POOL STARLIGHT, handling the cover is even easier.

Compliant with standard NF P 90-308
Tested by LNE
